In re Application of	:	
Alan T. Parsons	:	
Application No. 10/807,530	:	ON PETITION
Filed: March 23, 2004	:	
Attorney Docket No. C0037	:	

This is a decision on the petition, filed July 24, 2006, to revive the above-identified application under the provisions of 37 CFR 1.137(b).

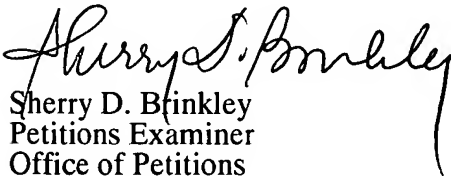

The application became abandoned for a failure to reply in a timely manner to the non-final Office action mailed October 26, 2005, which set a shortened statutory period for reply of three (3) months. No extension of time under the provisions of 37 CFR 1.136(a) was obtained. A Notice of Abandonment was mailed on June 9, 2006. However, on July 24, 2006, the present petition was filed, as well as a Request for Continued Examination (RCE) under 37 CFR 1.114.

Continued examination under 37 CFR 1.114 does not apply to an application unless prosecution in the application is closed. Therefore, the RCE filed July 24, 2006 is considered improper. Since the RCE was accompanied by an amendment, the reply will be considered under 37 CFR 1.111. The \$790 filing fee paid for the improper RCE is being credited to counsel's deposit account.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) a reply in the form of an amendment; (2) the petition fee of \$1500.00; and (3) the requisite statement of unintentional delay.

The application is being referred to Technology Center AU 2883 for consideration of the amendment filed July 24, 2006.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3204. Inquiries relating to further prosecution should be directed to the Technology Center.
